Report of Department Commander.

Department Commander, F. H. Lamb, then submitted his report:

HEADQUARTERS DEPARTMENT OF OREGON,

GRAND ARMY OF THE REPUBLIC,

PORTLAND, OREGON, February 22, 1887.

COMRADES: The year which has passed since I again took up the reins of government of this Department which I had laid down upon the close of my first official term, has been marked by a steady, if slow, growth of our Order in Oregon.

On December 31, 1885, there were reported in good standing, 29 Posts and 900 members; on December 31, 1886, there is reported in good standing, 38 Posts and 1204 members.

On February 16th, inst., I had the honor to muster, at Grant's Pass, General Logan Post No. 39, with 18 charter members, making a total strength at this date of 39 posts and 1222 members; a net gain for the term of 10 Posts and 322 comrades.

I consider that we may fairly congratulate ourselves upon the growth and present strength of our Department.

Of the officers elected at the Fifth Annual Encampment one has crossed the dark river and gone into camp upon the heights above, awaiting the final reveille—Comrade R. V. Monteith, Council of Administration,—a genial

and zealous comrade, whose loss is seriously felt and deeply deplored.

The Twentieth National Encampment, held at San Francisco, Cal., during the first week in August, 1886, was a brilliant episode in the history of the Grand Army. In the parade, upon that occasion, 14,000 old soldiers were in the column, and the streets along the line of march were packed with 250,000 people, who manifested their emotions at the sight of the old soldiers and the battle flags they bore, by continuous and enthusiastic cheers. The Commander of this Department was honored by receiving the appointment to command one of the divisions in the parade, thus giving Oregon the right of the line in that division. Oregon's column was headed by its Grand Army drum-corps, which, by the generosity and energy of some of the comrades, was able to be present; their appearance and performance elicited favorable comment, and the Oregon drum-corps was a feature of the parade.

The hospitality extended to us, as well as all visiting comrades, was simply magnificent; no words can do it justice, and those who were not present missed an event which can never again occur in the history of our Order. Californian hospitality is proverbial, but upon this occasion the Californians outdid themselves.

Some recognition of their hospitality should be made by this encampment, and I recommend action in that direction.

Notwithstanding the refusal of the Fifth Annual Encampment of this Department to provide funds for a headquarters for Oregon at San Francisco, during Encampment week, the Oregon headquarters were duly established, and, to the comrades who carried the idea to successful conclusion, the thanks of the Commander are hereby tendered, and the thanks of this Encampment are due.

A large room upon the ground floor of the Odd Fellows' Temple, in which building the National Encampment held its sessions, was tastefully draped with flags and bunting, and a choice selection of woods, grains, grasses and fruits of Oregon displayed. Thousands of visitors were attracted to our headquarters to examine the exhibit and to see the independent Oregonians, who, as one paper stated, "had brought even their gas fixtures with them from Oregon," and who were working like "beavers" for the good of their state. There can be no question that this exhibit of Oregon's products was of great benefit to our state, and that it will be of equal benefit to our Order by inducing an immigration of Grand Army men, the most desirable class of immigrants for any state.

The transportation companies offered us the best rates that circumstances would permit, and the thanks of this encampment are due to C. H. Prescott, Esq., Manager of the Oregon Railway and Navigation Company; R. Koehler, Esq., Manager Oregon and California Railroad Company, and to the Oregon Pacific Company for the favorable terms granted by them to the G. A. R. and kindred societies, and to the former especially for their continued kindness in the matter of passes for indigent comrades.

This Department was well represented in the Twentieth National Encampment. Of those entitled to seats there were present: Comrades F. H. Lamb, T. C. Smith, G. E. Caukin, F. J. Babcock, E. B. McElroy, R. W. Hill, G. C. Sears and C. L. Fay.

The Encampment amended the rules and regulations in some important particulars, which have been already presented to you through orders from National Headquarters.

One resolution, however, I believe has not been promulgated, and I chronicle it here:

"Resolved, That the purchase of badges or other G. A. R. supplies by any Post or Post officers from any other person or source than through the regular channels from Department or National Headquarters shall be a proper cause for the suspension of said Post and for revoking the charter."

After the close of the Twentieth National Encampment many of our com-

rades in Eastern delegations passed through Portland on their way home; among them were our illustrious comrades, General Sherman, General Logan, Commander-in-Chief Fairchild, Past Commander-in-Chief S. S. Burdette and others who had filled the highest offices in our National Encampment. These comrades were tendered receptions and camp-fires in this city, and entertained to the best of our ability, and their visits will long be remembered by those of us who were fortunate enough to be present.

During the session of the legislature of Oregon which has just closed there has been an attempt at some legislation favorable to the Grand Army. A resolution was introduced by Senator J. P. Wager directing the employment by the committees of ex-soldiers of the Union Army in preference to other applicants, other things being equal.

A bill was introduced by Comrade Hon. O. Summers, to punish imposters who may be found wearing the badge of the Grand Army of the Republic.

A bill was introduced by Hon. J. W. Swank to provide for the decent burial, at the expense of the county, of ex-soldiers and sailors of the Union who die without leaving any property, and to prevent their receiving a pauper's burial.

The thanks of this Encampment should be tendered to the honorable gentlemen who introduced these bills, whether the bills passed or not.

It is recommended by the C. of A. that the price of supplies furnished by Department Headquarters be reduced as follows: Rules and regulations, now 10 cents, to be 5 cents per copy; badge ribbons, now 15 cents, to be 5 cents each.

It is also urgently recommended that every Post furnish each member a copy of the new rules and regulations, so that all may be fully informed as to the government of our Order.

I desire to call your attention to the reports of the officers of the Official Staff, and the important suggestions they offer for your consideration.

I wish to bring before you Circular No. 4, from National Headquarters, referring to the President's veto of the "Dependent Pension Bill," and to invite consideration and action by this Encampment. Following is the circular referred to:

NATIONAL HEADQUARTERS, G. A. R.,
MADISON, WIS., February 14, 1887.

Circular No. 4.

In view of the recent veto of the "Dependent Pension Bill," and of the very great importance of that measure to many of our disabled comrades, who need, and are justly entitled to help, it is recommended that Posts and comrades everywhere, by resolutions and letters, immediately inform members of Congress, who are entitled to, and will gladly receive, these expressions of opinion, of their approval or disapproval of the principles involved in the vetoed bill. Comrades are requested to move at once, without waiting for a printed circular. By command of

LUCIUS FAIRCHILD, Commander-in-Chief.

E. B. GRAY, Adjutant General.

A word in relation to the kindred societies of this state:

The WOMANS' RELIEF CORPS, established as auxiliary to the G. A. R., has proved to be of great usefulness and is worthy of our hearty support and encouragement, and I ask for it the cordial co-operation of all the comrades. During the past year, under the direction of Mrs. E. A. Caukin, Department President, 4 Corps and 105 members have been added to the Order, which now numbers 11 Corps and 276 members.

The Order of the SONS OF VETERANS has been established in this state, and a Camp of the Order in this city. The Order is composed of sons of ex-soldiers and sailors of the Union, of the age of 18 years and upward, and of sons of members of the Order of 21 years. Its objects, as set forth in its con-

stitution, are as follows. "To maintain true allegiance to the Government of the United States of America, based upon a respect for and devotion and fidelity to its constitution and laws, manifested by the discountenancing of anything that may tend to weaken loyalty, incite to insurrection, treason or rebellion, or in any manner to impair the efficiency and permanency of our National Union; to keep green the memories of our fathers and their sacrifices for the maintenance of the Union; to aid the members of the G. A. R. in the caring for their helpless and disabled Veterans; to extend aid and protection to their widows and orphans; to perpetuate the memory and history of their heroic dead and the proper observance of Memorial Day; to aid and assist worthy and needy members of our Order; to inculcate patriotism and love of country, not only among our membership but among all the people of our land, and to spread and sustain the doctrine of equal rights, universal liberty and justice to all." Politics are forbidden in this Order as in the Grand Army. Surely, comrades, this is an Order which we can safely encourage and promote, as its purpose is to continue, as we have begun, to inculcate lessons of loyalty and patriotism, and to keep forever green the memory of those men who stood in serried rank in defense of our glorious country. It is desired to establish camps of Sons of Veterans in Oregon, and I will gladly furnish information upon this subject at any time.

As to the future of our Order in Oregon, I consider it bright; the field is rapidly widening as the state becomes more populous; localities which two years ago contained but two or three ex-soldiers are now known to number nearly enough for a Post. Within the coming year these localities may call for a charter for a post and surprise themselves by learning the number of persons in their midst who are eligible to membership in our Order and who will come to the front when an announcement is made that a Post is to be organized.

To the members of the Official Staff I wish to tender my grateful acknowledgements of their valuable services, and without detracting from the work of the others I feel that I may mention particularly Comrade Z. W. Christopher, Assistant Adjutant General, who for the last two years has performed so faithfully and zealously the arduous duties of his office—how arduous, only those who have had experience in similar positions can realize. I also desire to make special mention of the excellence and promptness which has characterized the work of Comrade C. L. Fay, Assistant Quartermaster General. He has given much time and attention to the duties of his office and his accounts will be found in perfect order.

Comrade D. D. Neer, Department Inspector, has conducted two inspections of the Department and is now engaged upon the third, rendered necessary by orders from National Headquarters, and has, as heretofore, done his work well.

Comrades J. M. Siglin, Judge Advocate, and S. B. Ormsby, Chief Mustering Officer, have not been called upon for any official duties, but I am sure would have cheerfully responded had their services been required.

Comrade J. M. Flynn, A. D. C. and A. A. A. General, and Comrade J. E. Courtney, A. D. C. and A. A. Q. M. General, have also rendered valuable assistance.

And now, comrades, I desire to acknowledge the cordial support and assistance which has ever been given me by my predecessors in this high office, and the generous sympathy and active co-operation of all the comrades upon whose time and means I have frequently and confidently called in the interests of our Order during my term of office. To them all my heartfelt gratitude is given for their prompt and generous responses.

It has been said that we are now at the zenith of our career as an Order; that we are rapidly growing old, and that our ranks will soon feel the inroads of time. I, for one, believe that while death will overtake us, we will never grow old. What if our locks are thin or our beards are silvered, so long as

our hearts are still young. "As, during a sea voyage, the horizon ever flies before us, so upon our life's journey the line of old age will ever recede as we advance," and when at last we wrap the drapery of our couch about us and lie down to pleasant dreams, it will be with hearts as young as in the old days, and we will be surrounded by young hearts beating tenderly in the breasts of our comrades as "the boys" escort us to our last resting place.

I thank you, comrades, for the honors you have conferred upon me, and I trust you feel that I have made the best use of my opportunities and what abilities I possess to advance the interests of our Order during the past two years.

F. H. LAMB,
Department Commander.

Report of Department Chaplain.

McMINNVILLE, OREGON, February 21st, 1887.

Z. W. CHRISTOPHER,

A. A. G. Dept. Oregon, G. A. R.

DEAR SIR AND COMRADE:—There is but little connected with the office and duties of Department Chaplain that need be reported to Department Headquarters. Memorial day is now more generally observed than it has ever been before; and there seems to be a general disposition on the part of the people of this country to fall in with us in the observance of this day and make it a day devoted to the memory of all the loved and remembered dead of our great country. So let it be.

I would recommend that reports of memorial exercises, and memorial addresses, delivered, be filed and kept by each Post as parts of the history of its work, and, when these are published, that Post Chaplains be directed to forward them to the Department Chaplain. In this way history that will be interesting to generations of men yet to be will be preserved. I wish also, in behalf of the christian members of our organization, to protest against the giving by the G. A. R. of masquerades and kindred entertainments. Certainly there is sufficient rational enjoyment outside of these for the members of our Order, all of whom are men now well advanced toward the evening of life. We do not ask that G. A. R. entertainments shall be turned into prayer meetings or anything of the kind, nor that a single ray of sunshine shall be banished from them; but we do ask that they shall be such as christian men and women can attend and take part in without doing violence to their consciences or compromising their christian standing in the community.

Respectfully submitted in F. C. and L.,

T. H. HENDERSON,
Department Chaplain.

Report of Assistant Adjutant General.

Six more names to be added to the Roll of Honor, which will show a total of twenty-five deaths in this Department since its organization.

While the great majority of Post Commanders have been prompt in forwarding their quarterly reports to these Headquarters during the past year, yet there have always been a sufficient number of delinquents, to delay, far beyond the time allowed for doing so, my report to National Headquarters. Yet it affords me pleasure to report that there has been a marked improvement in this respect during the year just passed as compared with the year previous.

I desire, Commander, to congratulate you, upon the prosperous condition of the Department, as shown by the above report. During the two years of your administration 21 Posts have been added to the Department Roster, all of which are still in good standing. Of the Posts organized prior to the date of the 4th Annual Encampment 5 surrendered their charters in 1885, leaving a net gain of 16 Posts and 454 members, a great part of which is due to your own personal efforts for the good of the Order. I desire also to thank you for the confidence you have reposed in me, and for all that you have done to assist me in performing the duties incident to the past which I have filled for the past two years. My thanks are also due to Comrade J. M. Flynn, A. D. C., for

assistance ably rendered at times when other duties were pressing me which required all my time to perform.

Respectfully submitted in F. C. and L.,

Is not this the right time and place for me to call the attention of Post Commanders to the many unfortunate blunders made by Quartermasters in making their reports without looking at their retained copy of the previous report to find the balance as by that and starting with it, thus saving the officers at Department Headquarters the disagreeable duty of returning their reports for correction, or obliging the corrections to be made at Headquarters. This carelessness is wide spread, in fact so nearly universal that the exception is to the one compiling these reports a glad surprise. Please do not look around to see how this hits some other Commander, it is safe for you to take it as meant for *you*.

With thanks to the various Post Commanders and Quartermasters of the Department for their kind forbearance, and to yourself for the honor conferred by the favor of this appointment on your staff, and with the wish for continued prosperity to both yourself and the Department, I am,

Yours in F., C. and L.,

C. L. FAY,
Assistant Quartermaster General.

Report of Department Inspector.

Department Inspector D. D. Neer then submitted the following report:

HEADQUARTERS DEPARTMENT OF OREGON,
GRAND ARMY OF THE REPUBLIC,

PORTLAND, OR., February 22, 1887.

To GEN. F. H. LAMB,

Department Commander, G. A. R., Dept. of Oregon.

COMRADE:—I have the honor to submit to you, and through you, to this Department Encampment, my report as Department Inspector for the year ending December 31, 1886.

Of the thirty-nine Posts that now constitute this Department only seven have failed to return inspection reports, and they are Posts that with one or two

exceptions have been mustered in since September 30, 1886. The new Posts I have embodied in my tabular report, giving only the charter membership, thereby arriving very closely at the total membership of the Grand Army of Veterans that constitutes the Department of Oregon.

I regret exceedingly that during this my second term as Inspector of this Department I have not been able to inspect personally a single Post, nevertheless my heart is always with my Comrades of the Grand Army of the Republic. In making this report to you to-day I do it with pride and honor to this Department in its strength and growth, pride for its manliness and patriotism, and honor to the old veterans who enroll themselves in fraternity, charity and loyalty for the advancement, protection and assistance of each other.

Never since the formation of this Department has the outlook been brighter for its steady growth than at the present time, and I congratulate the incoming officers on the condition in which they will find the Department affairs when they are turned over to them from the present incumbents.

In making this report I must not fail to give credit where credit is due. I refer now to the labors of the Assistant Inspectors; in almost every instance where appointments have been made for the inspection of Posts they have shown energy and zeal in making their reports as complete as possible, thereby rendering it comparatively easy for me, to what it might have been had they been negligent in performing their part of the work, and I desire here before this Encampment to thank them one and all for their efficient labor and prompt response to the Inspector's call.

The feeling in nearly all Posts of this State, so far as I can judge from the remarks accompanying reports, is one of true friendship and bonded sympathy for each other, a friendship that was moulded by hardships and exposure, in facing death for our common country.

The hardships of the soldier's life did not end with his discharge from the service of Uncle Sam; there are many of the "old boys" who to-day are struggling with poverty and disease (the latter contracted in the service) to support their families, and with small wages, and work half of the time at that, they are fighting this battle of life against great odds. It has been well said: "Laugh, and the world laughs with you; weep, and you weep alone." I tell you, Comrades, the time is at hand when those of us who are in position, and have influence, should exercise the same in impressing upon the minds of our representatives at Washington, that this country owes the old played out veteran, who possesses an honorable discharge, some assistance if not entire care. And the banding together of the old soldiers in Posts, working harmoniously together with this aim in view, will sooner or later accomplish something that will help the old warriors materially as they journey down the shady slope of life.

The following is a brief summary of the condition of this Department at the present time.

Number of Comrades in good standing in Posts inspected, including charter members of Posts 34, 35, 36, 37, 38 and 39, 1204

The work in the ritual is committed and properly performed in 16 Posts.

The work is partially committed and performed in 7 Posts.

No part of the work is committed in 9 Posts.

Officers and guards are uniformed in 2 Posts.

Comrades are partially uniformed in 8 Posts.

Officers are regular in attendance in 21 Posts.

Comrades exhibit an interest in 30 Posts. This does not include the Posts where only the charter membership is given.

The record books are well kept in 27 Posts.

General Orders are read regularly in 30 Posts.

Average amount charged for muster-in fee, \$3.00.

Average amount for quarterly dues, 83c.

Amount of money in the relief fund in all Posts, \$2,204.20.

Amount expended for relief in all Posts, \$744.31.

Number of Posts in good condition,	19.
“ “ fair “	10.
“ “ poor “	3.
“ “ no reports (new Posts),	7.

The above is a brief mention of some of the most important items of interest concerning the inspection of Posts to be considered at this Encampment.

In closing my report I desire to call the attention of Post Officers to the rules and regulations concerning the wearing of rank badges after passing out of office.

Post officers may wear the strap representing the highest office they have held in the Grand Army, the same to be worn pinned on the ribbon beneath the bronze eagle of the membership badge, to which the whole shall be pendant, but in no case to wear two or more official straps. The above does not refer to any badge of honor except as above mentioned.

I desire also to thank the Department Commander and his official staff for the many kindnesses he and they have shown me during the year.

Respectfully submitted in F., C. and L.,

D. D. NEER,

Department Inspector.

Report of Chief Mustering Officer.

Chief Mustering Officer, S. B. Ormsby, then submitted the following report:

HEADQUARTERS DEPARTMENT OF OREGON,

GRAND ARMY OF THE REPUBLIC,

PORTLAND, OREGON, February 22, 1887.

To Z. W. CHRISTOPHER,

Assistant Adjutant General,

Department of Oregon, G. A. R.:

COMRADE: I have the honor to submit the following report of Posts instituted since the last Annual Encampment:

Canby Post No. 16, of Hood River, March 20, 1886, by F. H. Lamb, Department Commander.

Shiloh Post No. 22, of Independence, March 22, 1886, re-organized by Jno. A. Crouch, A. D. C.

General Lyon Post No. 26, of Toledo, June 26, 1886, by F. H. Lamb, Department Commander.

Gettysburg Post No. 33, of Centreville, July 1, 1886, by F. H. Lamb, Department Commander.

General Hancock Post No. 34, of John Day, November 5, 1886, by M. L. Olmsted, Mustering Officer.

Corinth Post No. 35, of Tillamook, December 18, 1886, by C. N. Drew, Mustering Officer.

Robt. Anderson Post No. 36, of Linkville, December 16, 1886, by Robt. McLean, Mustering Officer.

S. A. Hunter Post No. 37, of Mehama, December 16, 1886, by F. J. Babcock, Past Department Commander.

Rawlins Post No. 38, of Lexington, December 18, 1886, by F. H. Lamb, Department Commander.

General Logan Post No. 39, of Grant's Pass, February 16, 1887, by F. H. Lamb, Department Commander.

The increase in the number of Posts during the past year, and also in the membership of those heretofore organized, is cause for extreme gratification, and it is probable that no state in the Union has a larger per cent. of our comrades in the late war on the muster rolls of the Grand Army of the Republic than has the state of Oregon to-day.

I regret exceedingly that circumstances beyond my control rendered it impossible for me to give that attention to the duties of the office which it demanded, and it is but just to say that the success of the Order in the Department the past year is not in any manner due to the Chief Mustering Officer, but entirely to others.

I desire to congratulate the Department Commander and Officers of the Encampment on the fortunate circumstances attending their administration just closing. The meeting of the National Encampment on this coast; the journey homeward through Oregon of the Veterans; the presence here of Logan, Sherman, Fairchild and Alger, was an epoch in the history of the Order which must ever be remembered with pleasure by those officers of the Department who were so fortunate as to have a share in those interesting and stirring events. Yours respectfully, in F., C. and L.,

S. B. ORMSBY,
Chief Mustering Officer.

HEADQUARTERS DEPARTMENT OF OREGON,

GRAND ARMY OF THE REPUBLIC,

PORTLAND, OREGON, January 26, 1887.

COL. E. B. GRAY,

Adjutant General G. A. R., Madison, Wis.:

DEAR SIR AND COMRADE: The following is respectfully submitted for decision by the proper authority:

A Post is organized and mustered on the 16th day of December; officers and a delegate to the Department Encampment are elected. The Post holds no other meeting in December. Question.—Can a meeting held for the purpose of organization be considered as the first regular meeting of the Post in the sense of Article 9, Chapter 2, of the Rules and Regulations? If it is not so considered, does the Post lose its representation in the Department Encampment by delegate?

A reply at your earliest convenience would greatly oblige me, as the matter may figure in our Department Encampment, which meets at Portland on the 22d of February next. Yours fraternally,

F. H. LAMB,
Department Commander.

OFFICE OF THE J. A. GENL., G. A. R.,
HARTFORD, CONN., February 7, 1887. }

Respectfully returned to Adj. Genl. E. B. Gray. I am of the opinion that the meeting may be so considered, and that the representative so elected should be given his seat in the Department Encampment.

MADISON, WIS., February 5, 1887.

COMRADE: The Commander-in-Chief requests you to forward to National Headquarters, as soon as prepared, two copies of the roster of your department.

One is for use at these headquarters, and the other to be preserved and turned over to the United States Government with the archives when the Grand Army of the Republic is extinct.

The careful preparation of this roster will doubtless be the first work of the newly appointed Assistant Adjutant General.

Reports of Committees.

Committee on report of Department Commander reported as follows:

PORTLAND, OR., February 22, 1887.

TO THE COMMANDER,

Officers and Members of the Department of Oregon, G. A. R.:

COMRADES: We, your committee, to whom was referred the report of the Department Commander, beg leave to report that we have had the same under consideration and find it complete in all its departments, and herewith return the same with the following recommendations:

1st. That a vote of thanks, by this Encampment, be tendered to the comrades and citizens of California and especially to the comrades and people of San Francisco, for the honors conferred upon this Department and hospitality extended to all comrades present at the Twentieth National Encampment.

2d. In recognition of the services and kind assistance rendered by the citizens and comrades of the state of Oregon, and particularly the Board of Trade of the city of Portland, who so kindly provided our Department with the grand and commodious headquarters in San Francisco during the session of the Encampment, we deem it eminently just and proper that a vote of thanks be tendered them, and therefore recommend the same.

3d. We fully recognize and highly appreciate the inestimable assistance and extended courtesies granted and rendered by the O. R. & N. Co. through their efficient manager, C. H. Prescott, Esq., and a like recognition for courtesies received and rendered by the O. & C. R. R. Co. and O. P. Co., and recommend that a vote of thanks be tendered them in accordance herewith.

4th. We hereby submit that not only our thanks but the gratitude of every member of the Grand Army of the Republic is due for the efficient legislation submitted and secured by the late legislative assembly of the state of Oregon, whereby we received legal recognition and protection from imposition as well as the recognition of our claims to places of support and emoluments, and also the provisions made for the respect to our dead; and especially do we appreciate the valuable services of the Hon. Comrade O. Summers, of Multnomah, Hon. J. P. Wager, of Umatilla, and Hon. J. W. Swank, of Linn, and other gentlemen who labored valiantly in our behalf, and recommend that a vote of thanks be tendered them.

5th. In relation to the reduction in price of supplies, we recommend that this entire subject be referred to a special committee to be appointed by the Department Commander, to report during this session of this Encampment.

6th. We also fully recognize the importance of providing every member of the Order with a copy of our rules and regulations, and most earnestly urge that each and every Post make energetic efforts to secure that end.

7th. Recognizing the fact that we have more than an ordinary interest in this, our government, both as its defenders in times of war and protectors in times of peace, we therefore recommend that this Encampment record its expression on the "Dependent Pension Bill," now under discussion in our National Congress.

8th. Recognizing the fact that it has been said by "Holy Writ" that "It is not good for man to live alone," therefore we heartily endorse the efforts of the Relief Corps in their high and noble mission they have espoused, and pledge them our hearty aid and assistance.

9th. Whereas, that each and every member must some day answer the final roll call, and the Grand Army of the Republic must become one of the things that was and is no more, and that to our sons from our hands must be transmitted the safety of our Republic, we therefore heartily endorse and earnestly recommend the establishment of Camps of Sons of Veterans in every part of our state.

10th. We earnestly and deeply appreciate the services of our esteemed and highly respected Commander, F. H. Lamb, in his earnest efforts and untiring zeal in our behalf, whereby our Order has achieved that eminence and prominence in efficiency and respect never before attained in our state, and we fully appreciate and endorse the recognition he has given in his report to his efficient official staff, and hereby recommend that we tender to him and them not only our vote of thanks but our sincere and lasting gratitude.

Respectfully submitted,

Z. T. WRIGHT,
M. L. OLMSTED,
E. G. HURSH,

Committee.

Upon motion, the report was adopted.

The committee upon the report of the Department Chaplain submitted the following report, which was adopted :

To the Department Encampment, G. A. R., of Oregon :

COMRADES:—Your committee to whom was referred the report of the Department Chaplain, would report that we have given the same careful consideration and would recommend the adoption of the suggestions therein contained with some modification as to the recommendation about masquerades and kindred entertainments given under the auspices of the Grand Army. These entertainments are not always given for Grand Army Comrades only, but for all who choose to attend. They are usually the outgrowth of a depleted treasury, and in many places the most successful method of replenishing the same, and when given under proper restrictions and regulations may not be out of place. Each Post should and must be its own judge of these matters, always keeping in view the fact that our actions should be such as to reflect

credit on our Order, and also so far as possible to respect the feelings of all Comrades.

J. H. EATON,
W. J. SNODGRASS,

NEW BUSINESS.

The following resolution was offered :

WHEREAS, The work of the Assistant Adjutant General of this Department

is very considerable, requiring time and care beyond what almost any one can well afford to give without some compensation; therefore

Resolved, That said official be paid (\$60) sixty dollars annually for his services, beginning with the year which closes with this Encampment.

On motion by Comrade T. H. Henderson, seconded by Comrade Z. M. Parvin, the foregoing resolution was adopted.

The following resolution, offered by Comrade S. B. Ormsby, C. M. O., was on motion by Comrade G. E. Caukin, seconded by Comrade E. B. McElroy, adopted:

WHEREAS, It has pleased the Supreme Commander to remove from our ranks our most beloved and illustrious Comrade Gen. John A. Logan, who for thirty years was identified with the history of the nation, and who gave such heroic services for its preservation; therefore,

Resolved, That in the death of Comrade Logan the nation and the Grand Army of the Republic have sustained a loss which is irreparable, and we, the members of this Encampment, with every ex-Union soldier in this Department, desire to add our humble tribute to the spontaneous sorrow which comes up from a nation's heart at this great bereavement.

Resolved, That while every citizen of the Republic must feel his loss, it will be the soldiers of the Grand Army, who followed him to battle and who have since been the objects of his constant care and solicitude, who will most deeply lament him; and his memory will be enshrined in their hearts as long as there lives one Comrade who wore the blue.

Resolved, That in our estimation of his character we can but acknowledge his many virtues. Pure in his life, constant in his friendship, firm in his integrity, grand in his courage, he maintained his principles with an energy, a manliness and eloquence not surpassed by any American citizen. With a physical courage never surpassed he stood in the front rank of battle; with a moral courage which was sublime, and a patriotism which was heroic, he acknowledged no allegiance and rendered no loyalty save to his country and his God; and, finally, when the summons came from the Great Commander which was to remove him from the scenes of his toils and triumphs here, with an unfaltering trust he obeyed the summons, yielded up his noble life, and laid himself down to quiet rest; relinquishing the glories of the soldier and statesman for the blessed immortality of the christian.

Resolved, That while it would seem almost like sacrilege for us to intrude upon the grief of the heart-broken wife, yet we cannot refrain from expressing the deep sympathy which fills our hearts for her in this her sad bereavement; and to assure her that the mantle of our love and affection which graced the form of her noble husband, now that he is taken from us, shall descend upon her.

Resolved, That these resolutions be printed in the proceedings of this Encampment, and a copy thereof, duly authenticated by the officers of this Department, be forwarded to Mrs. Logan.

The committee appointed to draft resolutions on the death of Comrade R. V. Monteith presented the following, which was unanimously adopted:

WHEREAS, Since last assembled in Annual Encampment, our beloved Comrade, R. V. Monteith, has answered to his last roll call and received his final muster out; and recognizing that death is rapidly thinning our ranks and breaking the ties that bind comrades and families, we are admonished not only of our duty to close up our ranks and regain the touch of elbows, but to remember those who are left desolate and bereaved; therefore,

Resolved, That in Comrade Monteith we recognized the true American soldier and gentleman, modest and unassuming, brave and faithful, a veteran of two wars, and half a lifetime spent in the military service of his country,

and, returning to the pursuits of civil life, ending his days as an honored and esteemed citizen;

Resolved, That we tender to the widow and family of our late Comrade Monteith our heartfelt sympathy and condolence in their bereavement, that these resolutions be published in the Proceedings of this Encampment, and a copy of same be forwarded to Mrs. Monteith.

GENERAL ORDERS }
No. 3. }

In compliance with the Rules and Regulations of the Grand Army of the Republic, Monday, May 31st, 1886, will be observed as MEMORIAL DAY.

It is suggested that Posts also arrange for appropriate services in the churches in their vicinity on Sunday, May 30th, and that comrades attend such services in a body and in full uniform.

To the public services on May 31st all should be invited.

Memorial Day is sacred to the memory of those who died that the nation might live. "It is the choicest day in the calender of the Grand Army, a day dear to each loyal heart."

Let every comrade, therefore, with a heart softened by remembrances of the past, take part in the public ceremonies of the day, and mark by his presence and participation the fact that he also once stood shoulder to shoulder in that thin line of blue which alone preserved the life of this nation.

Let him *forgive* those who caused him to suffer in the past, who brought him to death's door with bullet and shell and starvation, but, as he honors the memory of those who formerly touched elbows with him in the ranks; as he would preserve unimpaired his honorable record in the past; as he would inculcate lessons of patriotism and loyalty to union in the minds of the young; LET HIM NOT so far forget the past which he helped to make honorable and our dead have made sacred, as to eulogize the head and front of this offending as "worthy of the love and veneration of ourselves and posterity."

Comrades, remember that forgiveness simply relieves the offender of the penalty; it does not relieve him of the crime. Comrades, let us see that no comrade's grave is forgotten on Memorial Day, that, no matter how lowly, it is made bright and fresh with sweet flowers; do this, as we desire that some day our children may perform the same solemn duty for ourselves.

Official: F. H. LAMB, Department Commander.

Assistant Adjutant General.
